2	No	505721	 75.9%

Warning: these figures indicate the number of cases found in the data file. They cannot be interpreted as summary statistics of the population of interest.

INTERVIEWER INSTRUCTIONS

For obtaining the appropriate response to the question, it has to be ascertained for each member of the household listed in this block, whether his/her place of enumeration is different from his last (previous) usual residence, if any, the usual residence for the purpose of this survey being defined as a place (village or town) where the person has stayed continuously for a period of six months or more. (For more details refer instruction manual attached as external resource)
